● 20-inch wheels	● 20-inch wheels	● 20-inch wheels

Exterior Colours

Arctic White

Silver Frost

Midnight Black

Stellar Purple

Graphite Grey

Black Edition^①

- Rear tow hook (electric) *Optional extra
- LED Auto-sensing high beams and Dipped Headlights
- LED Auto On / Off Headlights
- Electric release door open button
- Hidden door handles
- Rain sensing automatic wiper

- External rearview mirror (with electric folding / heating / memory / blind spot monitoring)
- Soundproof glass (front windshield / first row)
- Privacy glass (second row / rear windshield)^②
- Four-door glass one-touch lifting with anti-pinch function
- Panoramic skylight-free sunshade with heat insulation layer

① Only AWD Performance can be optionally equipped with Black Edition; ② Different configurations by country

INTERIOR

- Capacitive steering wheel
- Streaming media mirror
- Nappa leather
- Microfiber ceiling material
- Wireless charging with ventilation 50W*2
- Ambient light colors Number: 256
- USB Type-A *1
- USB Type-C *3

Interior Colours

Dark Grey

Light Grey

Sound System

- XPENG XOPERA 2.0 Surround Sound System (16 speakers)

Air Conditioning & Heat Pump

- Automatic air conditioning & heat pump air conditioning
- PM2.5 filtration / monitoring and display
- In-car air purification system - N.95 filtration & pollen filtration

First Row Seats

Driver seat electric adjustment:
12 way (including 4-way Lumbar Support)

Front passenger seat electric adjustment:
10 way (including 4-way Lumbar Support)

- Front seats Heating
- Front seats ventilation
- Seat position memory
- Seat welcome function

Second Row Seats

- Second row seat backrest adjustment
- Foldable rear seats (60/40)
- Second row seat heating^①
- Second row seat center armrest / armrest cup holder

① Different configurations by country

● Standard Configuration; ○ Optional Configuration; — No such configuration

1. The vehicle configuration information is only applicable to the corresponding models produced within a certain production month, and the vehicle configuration information produced during different production months might be different. The battery range and charging time are for reference only, and vary depending on the actual circumstances. The configuration table is only for reference, and the actual situation should be based on the actual vehicles sold by the sales store. XPENG has the right to explain and reserve the right to change technical parameters, configuration and other product information within the scope enforced by laws and regulations.

2. Unless otherwise noted, the performance data in the table are tested under standard configuration.

3. XPILOT intelligent driving system is a driving assistance function and cannot cope with all traffic, weather and road conditions. The driver must always pay attention to observe the current traffic situation. If the automatic assist driving system fails to provide proper steering assistance or maintain proper distance and speed, the driver must actively intervene. Please read all information about XPILOT in the driver manual to better understand the limitations of this system. The driver should be aware of these restrictions before using XPILOT. Please be cautious during complex and changeable traffic conditions, icy and snowy roads, wet and slippery weather, stagnant or muddy roads, poor visibility, rugged mountain roads, or highway exits.

4. The acceleration data is obtained through tests and the actual 0-100 acceleration capability may vary due to different driving skills, remaining capacities, battery temperatures, road conditions, etc.

5. The actual range may differ from the calculated WLTP range, depending on the driver's driving style, speed, number of occupants, vehicle load, outdoor temperature, air conditioner use, terrain, vehicle condition, etc.

6. Actual DC charging time may vary depending on a variety of factors, including vehicle condition, ambient temperature, the initial state of charge, battery condition, and charger type.
